## GENERAL INFORMATION

1. This District Track and Field Championship Meet is being held under the jurisdiction of the Board of Control, P.I.A.A. All contestants must meet P.I.A.A. eligibility rules. Events, conditions, etc., are governed by the National Federation of High Schools' rules.
2. Class A schools are those whose total enrollments (boys and girls) in grades 9 to 12, inclusive, on October 1, 1956, were 500 or more; Class B schools are those with enrollments under 500 in the same grades on the same date.
3. Two participants per school is the maximum permitted in all events.
4. No contestant may participate in more than three events.
5. No post entries, changes in entry lists, or substitutions are allowed.
6. There will be no semi-finals in either track or field events. Trial heats will be necessary in certain events, but in the 440, 880, the mile and both relays, these events, two or more heats will be run against time, each main place winner being timed. The first five place winners will be determined by their time performances.
7. In the 180-yard low hurdles, the first hurdle shall be placed 20 yards from the start and the remaining hurdles at 20-yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
8. In the 120-yard high hurdles event for Class A, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart, leaving 15 yards between the last hurdle and the finish line.
9. In all finals of running events, the times of both first and second places shall be taken and recorded.
10. In the one-mile relays for Classes A and B, each contestant shall run one-quarter of the mile. In the half-mile relay, each contestant shall run 220 yards.
11. The weights of the shot used in P.I.A.A. meets shall be 12 pounds. The discus and javelin shall conform to N.C.A.A. standards. Shot and disci used in this meet are those belonging to the District Committee. Javelins must be weighed in and inspected before the event by the officials in charge.
12. At Upper Darby, hard surfaces are used for the high jump, pole vault and broad jump. Rubber-soled shoes and rubber-soled shoes with pin spikes will be permitted—no others!
13. Five places will be scored in each event on a 5-4-3-2-1 basis. Gold, silver and bronze medals will be awarded to the winners of first, second and third places in each event. Trophies will be presented to the school winning the highest total number of points in each class. Medals and trophies will be distributed to winners from a stand erected on the field.
14. The preliminaries will begin at 10:00 A.M. (Daylight Time). Track finals will begin at 2:00 P.M. (Daylight Time). The District Committee desires the meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
15. To keep the field clear of spectators and to have the meet run under proper conditions, athletes not competing in events will keep away from the track during track events and from field during field events. There will be room in the stands for these people.
16. Coaches must remain in the stands. **This rule will be enforced!**
17. The price of admission to spectators is 75 cents, including a copy of this program.

## GENERAL INFORMATION (Continued)

18. The State Championship Track and Field Meet will be held at Pennsylvania State University on Saturday, May 25, 1956. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the Commonwealth may send two teams, Class A and Class B. Each team will be made up of two representatives in each event. In preparing the entry blank for the State Meet, the District Committee will select the contestants that finish first and second in the various events unless notification is given by successful contestants that they cannot participate in the State Meet. In such cases the Committee will select winners of third, fourth and fifth places in order. A relay team will be considered as a "representative" or "contestant." This procedure will be followed in making up both the Class A and Class B District teams.
19. A drawing for places in track events and for order in field events was made by the District Committee before the Meet.
20. If an athlete is competing in the trials (100, 220, both hurdle races) he may pass his trials in broad or high jump (if entered) but he must report for these events within three minutes after completion of the trials and remain at jumping pits.
21. Athletes qualifying for the State Championship Meet must be reported by their coaches to Mr. Lewis concerning their decision to take part in the State Meet, immediately after the event. The District will collect \$8.00 from each athlete qualifying for and making the trip to the State Championship Meet at the State University; the remainder of the cost will be borne by the District Committee. Mr. Lewis will be in charge of the District. One team on the trip and at the Meet. Mr. Fishburn will act as financial representative of the District Committee for the State Meet. No refund will be made for athletes traveling in private cars. Permission for such travel must be obtained from Mr. Lewis, for athletes to be permitted to represent District One at the State Meet.
22. In the field events (shot, discus, javelin, running broad jump), every contestant will be allowed four trials. The six best will qualify for the finals with three trials each. Unless weather conditions warrant judges making changes, no discus throws of less than 120 feet or javelin throws of less than 150 feet will be flagged or measured.
23. Coaches and winners in the shot put, discus throw, high jump, broad jump, will note that at the State Championship Meet the surfaces will be hard surfaced. No spikes will be permitted on the shot and discus circles. Rubber-soled shoes must be used in these events.
24. The high jump will start at five feet two inches. The bar will be raised by two-inch intervals to five feet eight inches; by one-inch intervals above five feet eight inches. Three misses at each height will disqualify. The pole vault will start at nine feet. The bar will be raised at six-inch intervals to ten feet; by three-inch intervals to eleven feet; by two-inch intervals above eleven feet. Three misses at each height will disqualify.
25. In the event of ties in the high jump and pole vault events, places will be decided on the basis of the fewest accumulated misses.
26. Both first and second place relay teams in Class A and Class B will be taken to the State Meet by the District. Both first and second place relay teams, in Class A and Class B, will receive the same financial support from the District as any first and second place winners in other events.
27. Starting blocks may be used when available.
28. Claims for national records in sprint events and hurdles events will be accepted only when information about wind velocities can be furnished. A wind gauge will be used in these events in District Meets. A wind velocity of less than 4.473 miles per hour favoring the runner is required for an application to receive favorable consideration.

## Pihos and Sandusky On All-Star Grid Staff

Chicago, May 17-(UP)—Otto Graham, head coach of the 1958 College All Star football team which will play the National Football League champion Detroit Lions August 15, today announced appointment of five assistants.

They are Don Paul, a former UCLA star who played pro football with the Los Angeles Rams; Don Doll, formerly with Southern California and the Detroit Lions; Pete Pihos, Indiana star who played with the Eagles; Ara Parseghian, Northwestern's head coach, and John Sandusky, line coach at Villanova, who played with the Cleveland Browns.

## Thin in Veterans

Michigan State will have only four first stringers from last fall back in football action this season.

Bill Davidson, Carlisle, Pa., junior, is Penn State's first individual Eastern intercollegiate golf champion.

PIAA Dist. 1 Meet 5/17/1958 at Upper Darby HS

# L. Merion, Sharon Hill Win District 1 Titles <sup>Dist 1</sup> 1958

One record was broken and another was equaled as Lower Merion retained the Class A title and Sharon Hill won its first Class B crown in the PIAA District 1 track and field championship meet yesterday at Upper Darby.

Lower Merion tallied 33 points to grab the A honors for the second straight year. Sharon Hill triumphed with 43.

The two records came in the Class B events.

Bob Hart, of Morrisville, beat the shot put standard with a heave of 55 feet, 2½ inches. This erased the distance of 51 feet, 10½ inches made by Bob Edmiston, of Hatboro, in 1949.

Bristol's Wilmer Johnson, tied the high jump height at 6 feet, 1¼ inches. Ben Martin, the current Air Force Academy grid coach, set this standard while attending Prospect Park in 1939.

Johnson became a double win-

ner for Bristol by taking the broad jump with a leap of 20 feet, 7 inches. Hart made it a double with a triumph in the discus with a toss of 128 feet 5½ inches.

Another Bristol boy, Jim Jones, hit a double by taking the mile and 880 runs. He did 4:41.9 in the mile and 2:06.1 in the 880.

Bill Shippen sparked Lower Merion to victory with victories in the 100 and 220 dashes. Shippen took the century in 10.2, then copped the 220 in 22.6.

Ben Weidemoyer, of Pennridge, was the other double winner in the Class A events.

Weidemoyer won the mile in 3:34.7 and the 880 in 2:03.3.

All the athletes who finished first and second in the events in the two divisions will represent District 1 next Saturday in the State championship meet at State College, Pa.

## Lehigh Trackmen Win All Events, Humble Temple

### Owls Beaten, 108-17; '880' Record Broken

Bethlehem, May 17—Ken Shaner, of Pottstown, shattered a 42-year-old record here today as Lehigh University's track and field team (2-2) walloped visiting Temple University, 108-17. He was Temple's fifth straight dual defeat without a victory.

Shaner broke the Lehigh and field record in the 880-yard run with a clocking of 1:58.8. James Burke set the old mark of 1:59 in 1916.
