procedure will be followed in making up both the Class A and Class B District teams.

14. Athletes qualifying for the State Meet must be reported by their coaches to Mr. Lewis, Chairman of the Track Committee, and the Chief Scorer, concerning their decision to take part in the State Meet, IMMEDIATELY after the event. The costs of contestants to the State Meet will be borne by the District Committee. Mr. Lewis will be in charge of the District One teams on the trip and at the Meet. Contestants may not travel to or from the State Meet in private cars without having obtained permission from Mr. Lewis. Such permission is required for athletes to be permitted to represent District One in the State Meet.
15. If an athlete is competing in the trials (100, 220, both hurdle races) he may pass his trials in field events (if entered) but he must report for these events within three minutes after completion of the trials and remain at the site of the field event(s).
16. In all competition, both track and field, jerseys must be worn inside trunks.

B. Track Events

1. Minimum qualifying standards for track events:

Event	Class A	Class B
120-Yard High Hurdles	16.0	17.5
180-Yard Low Hurdles	21.5	22.8
180-Yard Low Hurdles (str.)	21.8	23.1
100-Yard Dash	10.5	10.7
220-Yard Dash	23.0	24.0
440-Yard Dash	52.5	24.5
880-Yard Dash	(str.)	65.0
One-Mile Run	2:05.0	2:12.0
Two-Mile Run	4:45.0	4:58.0
880-Yard Relay	10:40.0	11:30.0
One-Mile Relay	3:33.0	3:45.0
Two-Mile Relay	8:40.0	9:15.0

2. Coaches have been provided with "leeways" in these standards, within which performances will be considered as meeting District requirements. The preliminaries will begin at 9:30 A.M. (Daylight Time). Track finals will begin at 1:30 P.M. (Daylight Time). The District Committee desires the meet to be run off without unnecessary delays. Contestants will therefore report promptly for their respective events.
3. There will be no semi-finals in either track or field events. Trial heats will be necessary in some events, but in the 440, 880, one-mile, the two-mile, and all three relays, only finals will be held. If there are too many contestants for one final in these events, two or more sections will be run against time, each main place winner being timed. The first five place winners will be determined by their time performances.
4. In the 180-Yard Low Hurdles, the first hurdle shall be placed 20 yards from the start and the remaining hurdles at 20-yard intervals. The distance from the last hurdle to the finish shall be 20 yards.
5. In the 120-Yard High Hurdles, 10 hurdles, 39 inches high, will be used. The first hurdle is 15 yards from the starting line. Each of the hurdles will be 10 yards apart, leaving 16 yards between the last hurdle and the finish line.
6. In all finals of running events, the time of both first and second places shall be taken and recorded.
7. In the 880-Yard Relays for Classes A and B, each contestant shall run 220 yards. In the One-Mile Relays for Classes A and B, each contestant shall run one quarter of the mile. In the Two-Mile Relay for Classes A and B, each contestant shall run one-half of a mile.
8. Both first and second place relay teams in Class A and Class B will be taken to the State Meet by the District. Both first and second place relay teams, in Class A and Class B, will receive the same financial support from the District as any first and second place winners in other events.

INFORMATION

A. General

1. This District Track and Field Championship Meet is being conducted by the District Committee under the jurisdiction of the Board of Control, P.I.A.A. All contestants must meet P.I.A.A. eligibility rules. Events, conditions, etc., are governed by the National Federation High School rules, with such variations as have been established by the Board of Control.
2. Class A schools are those whose total enrollments (boys and girls) in grades 10 to 12, inclusive, on October 31, 1965, were 800 or more; Class B schools are those with enrollments under 800 in the same grades on the same date.
3. Participants in the District Meet must meet published minimum qualifying standards. Only boys will compete in this meet, whose names have been submitted on "Participants Forms" on the basis of having met the minimum standards in prior meets. Continued failure to meet these standards will result in the District Committee being requested to bar offending schools from the District Meet.
4. Should any boy whose name is not on the school entry list, in the program or the "Participants Form," compete in any event; should any boy not named on the school entry list, the program or the "Participants Form," use the name or number of a contestant whose name is on the school entry list, the program and the "Participants Form," and compete in an event:
 - a) all points scored in the meet by the school from which the boy who is in violation comes, may be cancelled;
 - b) all medals won in the meet by the school from which the boy who is in violation comes, may be forfeited;
 - c) all entries from the school from which the boy who is in violation comes, may be disbarred from the State Meet;
 - d) the school from which the boy who is in violation comes, may be disbarred from the District Meet the following year.
5. Two participants per school is the maximum permitted in all events except the relays.
6. No contestant may participate in more than three events, exclusive of the two-mile run. Participants in the two-mile run may not compete in any other event.
7. No post entries, changes in entry lists or Participants Form, or substitutions, are allowed.
8. Five places will be scored in each event on a 6-4-3-2-1 basis. Gold, silver, and bronze medals will be awarded to the winners of first, second, third, fourth and fifth places in each event. Trophies will be awarded to the schools winning the highest total number of points, one to each class. Medals and trophies will be distributed to the winners after each event and at the end of the meet.
9. To keep the field clear of spectators and to have the meet run under proper conditions, athletes not competing in events will keep away from the track during track events and from the field during field events. There will be room in the stands and rest quarters for these people.
10. Coaches MUST remain in the stands.
11. The price of admission to spectators is \$1.00, including a copy of this program.
12. Seeding for track events and the order of competition in field events were done before the meet.
13. The State Championship Track and Field Meet will be held at Pennsylvania State University on Saturday, May 27, 1967. The classification of schools and the rules for competition are the same as those governing the District Meets. Each of the twelve districts in the Commonwealth may send two teams, Class A and Class B. Each team will be made up of two representatives in each event. In preparing the entry blank for the State Meet, the District Committee will select the contestants that finish first and second in the various events unless notification is given by successful contestants that they will not participate in the State Meet. In such cases the District Committee will select winners of third, fourth and fifth places in order. A relay team will be considered as a "representative" or "contestant." This

INFORMATION (Continued)

9. Claims for National and District records in sprint events and hurdles events, will be accepted only when information about wind velocities can be furnished. With changes in rules governing who may participate in this meet, the time schedule must be an estimate. The prompt, efficient cooperation of all boys and officials may be especially required in running events. On the other hand, it is possible that the meet may run faster than the time schedule here calls for. If such is the case, no delays will be set up merely to adhere to the schedule. Each event will be run as soon as the preceding one is finished, exclusive of the break between Events 22 and the finals of Event No. 1.

PIAA Dist. 1 Meet 5/20/1967 at Norristown HS

Nine Class Marks Fall In Track; Neshaminy, Wissahickon Triumph

Penncrest High School's brilliant miler, John Baker, and Lonnie Dalton, of Spring-Ford, checked in with record performances as two Class A marks were broken and seven Class B standards fell and another tied at the 43d annual Pennsylvania Interscholastic Athletic Association District 1 track and field meet yesterday at Norristown.

Neshaminy scored 36 points to win its first Class A District title, while Wissahickon (Ambler) won the Class B crown for the fifth time by nosing out Upper Dublin 55-52.

All the first- and second-place finishers in the two divisions will compete for District 1 next Saturday in the PIAA state meet at University Park.

Baker Runs 4:19 Mile

Baker put on a fine performance when he was clocked at 4:19 in the Class A mile. He set the Class B mark of 4:29.5 last year while running for Media High. Baker became a double winner when he took the 880 in 1:58 flat.

In the 880, Baker got off to a poor start and found himself in ninth place with 220 yards to go. But, a tremendous kick brought the Maryland-bound star into the lead at the beginning of the stretch and he won by 15 yards over Pottstown's Charley Beasley.

The other Class A standard was broken by Abington's Bob Bell when he leaped 45-3/4 in the triple jump. This beat the distance of 44-2 1/4 set by Steve Ryznar, of Owen J. Roberts, in 1966.

Joining Baker as double winners in Class A were Ernie Hadrick, of Norristown (440 and 220) and Bill Werstler, Pottstown (120 and 180 hurdles).

2 Marks for Dalton

Spring-Ford's Dalton was the only triple winner of the meet. He set two Class B records. He established a new standard in the high jump with a leap of 6-7. This beat the former height of 6-1 1/2 held jointly by Ben Martin of Prospect Park (now Air Force Academy football coach) in 1939 and Wilbur Johnson, of Bristol, 1959. Dalton leaped 45-9/2 to set a new triple jump record and also took first place in the long jump at 21-8.

to win the two mile, Bill Sullivan, Lansdowne-Aldan cleared 13-5 1/4 inches for a new Class B pole vault height.

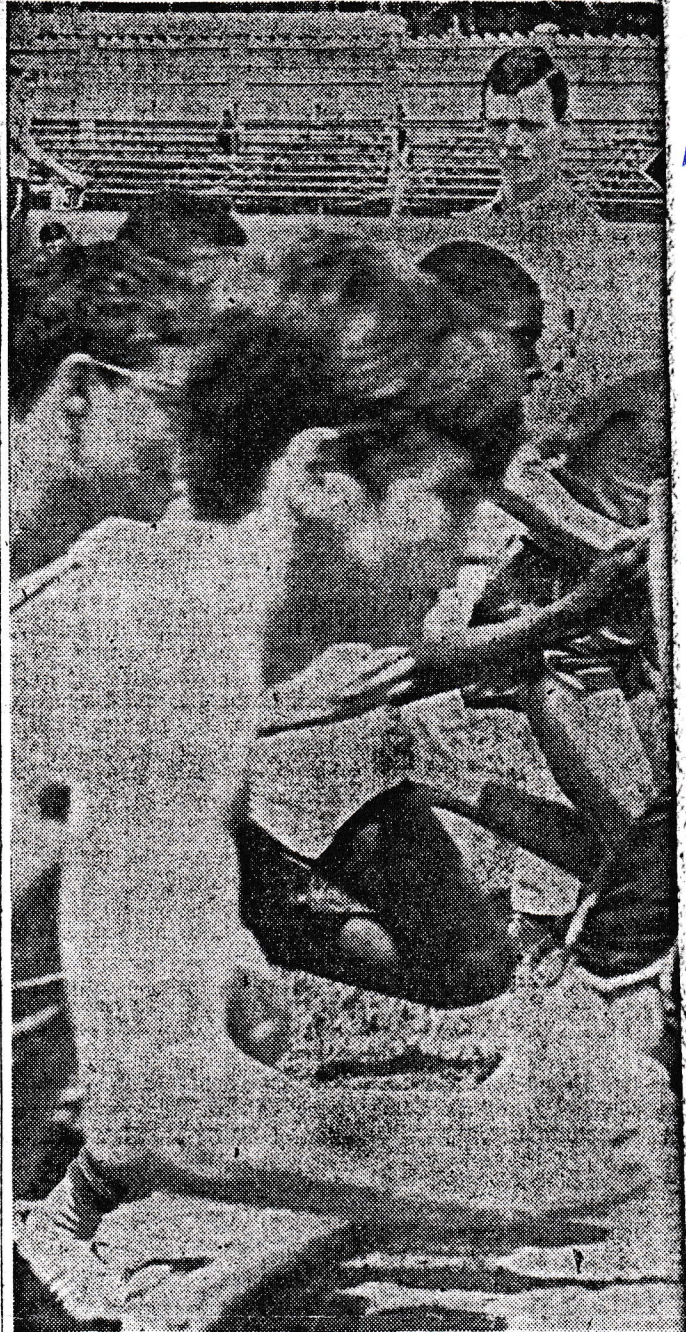

Wissahickon's Bill Scott, a double winner in Class B, set a record in the 180 hurdles mark by winning in 19.5 and tied the 220 dash time at 22.2.

Relay Records

The other Class B standards were broken by Wissahickon's 880 relay team of Jim Swartz, Jim White, Charles White and Bill Scott with a 1:33.1 clocking and Upper Dublin's two mile team, with Keith Horne, Warren Rines, Henry Bennett and Chris Rinko carrying the baton, was timed in 8:20.3.

In winning the team title in Class A, Neshaminy took first place in the long jump, 100, discus and mile relay, while Wissahickon won the mile, 880 relay, low hurdles and 220.

Waters Sets 2 Records In Winning 3 Events

Jim Waters, of Gloucester Catholic High, set two records in winning three events yesterday in the Knights of Columbus track and field meet, but it didn't prevent Bishop Eustace Prep from defending its championship.

Waters won the 100, long jump and pole vault events, the latter pair in record fashion.

Smith Better World Marks In 400 and 440

San Jose, Calif., May 20—(UPI)—Tommie Smith, San Jose State, set world records of 44.5 in the 400 meters and 44.8 for 440 yards today in his special match race with teammate Lee Evans.

Smith, who already holds five world records in the shorter sprint races, ran his usual race against Evans, regarded as the world's top 440 man last year.

He let Evans set the pace and then with about 50 yards to go, zoomed past and won by about three yards.

Smith's 44.5 for the 400 meters beat the old world record of 44.9 set by Otis Davis in the 1960 Rome Olympics and tied by Carl Kaufmann, Germany, in the same games.

His 44.8 for the 440 yards wiped out the previous world mark of 44.9 set by Adolph Plummer in 1963.
