

# Villa Maria's Brown

1992

Angie Brown of Villa Maria Academy gave herself quite a birthday present at yesterday's PIAA District 1 track and field championship meet at Bensalem High.

Brown, a sophomore who turned 16 yesterday, won the AA (small-school) long jump with a leap of 19 feet, 1/4 inch. That topped the meet record of 18-5, set by Carol Shane of Swarthmore in 1976 — the year Brown was born.

"I just tried to go in with a positive attitude," said Brown, who won the long-jump district title last year.

She went 19-0 1/4 on her first jump and followed that with a leap of 18-10.

"After that I decided not to jump anymore," Brown said. "I wanted to save my energy."

With plenty of energy left, Brown came back to post the fastest qualifying times in both the 200 and 400 meters. She will be the favorite in both finals today.

In the AAA (large-school) girls' long jump, Truman's Melanie Lewis continued her string of outstanding performances, winning with a 19-3 jump.

Lewis won the indoor state championship and entered the district meet as the top seed. Today, she will go after her second district title in the triple jump, with Plymouth-Whittemarsh's Annetta Tomlinson and Cheltenham's Duane Sims providing the competition.

Glen Mills got off to a fast start in its bid to win the boys' AAA team title. The Bulls' Lamont Nickens won the shot put (56-10), and teammate Troy Trice took the long jump (23-2 1/4).

North Penn, William Tennent and Coatesville will battle the Bulls for the AAA team title.

Abington's Carla Johnson cleared 5-7 1/4 to take the girls' AAA high-jump title.

# Fisher, Whiteman, Pratt excel at District 1 meet

By Steve Wartenberg  
INQUIRER CORRESPONDENT

The mental toughness of Kim Fisher and Scott Whiteman and the devastating speed of Shane Pratt were the highlights of yesterday's PIAA District I track and field championship meet at Bensalem High School.

Sun Valley's Fisher won the AAA (large schools) 1,600 meters in a time of 4 minutes and 59.2 seconds and the 3,200 in 10:48.0, breaking the district record of 10:53.76, set by Plymouth Whitemarsh's Holly Murray in 1981. She also anchored the Vanguards to another win in the 3,200 relay and 400 (9:35.5), and in the 1,600 relay went from seventh to third on the anchor leg.

"It was really a mental thing more than physical — running the four events," Fisher said. "The most exciting race was the 1,600 relay because I had to pass a lot of people at the end. It was kind of gutsy."

Pennsbury's Whiteman was equally impressive in the AAA distance races.

The senior won the 800 (1:53.9) and 1,600 (4:19.1) and anchored the Falcons to a win in the 3,200 relay (7:51.0).

"I was wanting a little mentally after the 1,600," Whiteman said. "I wasn't happy with the time and it got to me. I was starting to feel sorry for myself until about a minute before the start of the 800."

Whiteman pulled himself together and held off a challenge from Wissahickon's Rob Yochum (1:55.4) for the win.

"Once the race started I had no doubt I could run," Whiteman said. "The coaches always tell me what I can do and they also tell me that I still don't know what I can do."

Whiteman and Fisher will get a chance to see what they can do this weekend at the state championship meet at Shippensburg University. While mental toughness was the key to the distance races, the pure speed of North Penn's Pratt had the fans standing and cheering. The Knights' star won the 100 (10.4) and 200 (21.4).

Most impressive was Pratt's performance in the 400 relay, as he took the baton in fifth place and seemed to effortlessly glide by all the other teams for the win (43.2).

"I just tried to stay relaxed and not get too worked up," Pratt said of the relay. "The key is to accelerate and then maintain your top speed. If you try to go even faster, you wind up going slower."

Pratt's efforts helped North Penn score a total of 77 points and edge Glen Mills (74) for the boys' AAA team title.

Truman (55 points) won the AAA girls' title and Pottstown swept the boys' and girls' AA titles. Villa Maria Academy's Angie Brown, who won the AA girls' long jump on Friday, won the 200 (26.5) and 400 (59.0) yesterday and anchored the Vimitcats to another win in the 1,600 relay (4:08.9).

# Whiteman, Pratt excel at District 1 meet

"I just tried to stay relaxed and not get too worked up," Pratt said of the relay. "The key is to accelerate and then maintain your top speed. If you go even faster, you wind up going slower."

Pratt's efforts helped North Penn score a total of 77 points and edge Glen Mills (74) for the boys' AAA team title.

Truman (55 points) won the AAA girls' title and Pottstown swept the boys' and girls' AA titles.

Villa Maria Academy's Angie Brown, who won the AA girls' long jump on Friday, won the 200 (26.5) and 400 (59.0) yesterday and anchored the Vimicats to another win in the 1,600 relay (4:08.9).
