## **SPORTSMANSHIP and ADDITIONAL POLICIES**

District One Basketball Playoff games are conducted under the authority of the District One Committee. The District Committee is firm in its desire that good conduct and sportsmanlike behavior shall be required in this series of games. Each member school participating has the responsibility of control of their students and spectators.

In all games conducted under the jurisdiction of the PIAA and District Committee, the following [PIAA Policies and Procedures](#) are to be enforced:

***INDOOR EVENTS: SPECTATOR DECORUM** The presence and/or the use of balloons, banners, laser pointers, noisemakers, pom-poms (by spectators), shakers, signs, sirens, strips of material, towels, whistles, and/or portable listening devices (without earphones) are **PROHIBITED!** Persons using such items may be removed from the Contest. The use of pom-poms by cheerleaders and small portable listening devices with earphones is permitted. During basketball Contests cheerleaders may utilize portable signs in their cheer performances and confirm that this does not violate the intent of the “no sign” policy. Spectators are prohibited from removing their shirt and/or using body paint while in attendance at District and Inter-District Championship Contests and may be removed from the Contest for doing so. Principals and Athletic Directors shall inform and publicize these regulations to students. The failure of a school to so inform or publicize will not, however, prevent removal from the Contest for violations of this policy*

- No Banners, pictures or handheld signs carried into the contest
- No 50/50s or Lotteries
- No Throwing of confetti, toilet paper rolls or other objects in the stand or court
- No waving of streamers, towels, pompoms, or strips of material
- No artificial noise makers, whistles, or portable listening devices
- Pep Bands are not authorized to play at indoor events
- No provocative antics or stunts by spectators or cheerleaders
- No menacing actions or gestures by groups towards opposing players or officials. Particularly as displayed when crowding towards the edge or upon the floor or opposing players' benches.
- Unsportsmanlike and illegal actions by coaches and players.
- There is to be no hand waving by spectators as disconcerting to player at the Foul Line.
- Spectators are prohibited from removing their shirts and/or using body paint.

The following is recommended to each participating school:

- Publicize and stress these standards of conduct to faculty managers, cheerleaders, boosters' groups, and student bodies.
- Request local papers to urge upon the public the necessity of conduct of which neither the school nor the community would be ashamed. Good sportsmanship means cheering **FOR** your team, not **AGAINST** your opponent.

## **SUGGESTIONS: REGARDING CONTROL OF PARTICIPATING SCHOOLS**

It is strongly suggested by the District Committee that a supervisor be assigned for at least every 200 tickets sold by the participating schools. This suggestion is made because it is believed that Faculty, well-respected parents, or community leaders will serve and assist in setting a better decor and climate at closely contested games.

## **POSTGAME POLICY REGARDING SPECTATORS ENTERING THE COMPETITION SURFACE:**

PIAA member schools are responsible for the treatment of all visitors and officials attending contests conducted by their school. Access to competition areas should be limited to participating student-athletes, coaches, officials, and game personnel. For the safety of participants and spectators alike, at no time before, during or after a contest should spectators be permitted to enter the competition area prior to the teams and contest officials leaving the competition area

## **POLICY RELATING TO INDIVIDUAL ACCOMPLISHMENTS:**

PIAA District One playoff and championship contests shall not be stopped or interrupted in order to celebrate a team or individual accomplishment (i.e., 1,000-point scorer in basketball). School Administrators and Coaches are encouraged to make arraignments with the contest manager to acknowledge the team and/or individual's accomplishments after the contest has concluded.

## **POLICY RELATING TO INCLEMENT WEATHER DURING DISTRICT AND/OR INTER-DISTRICT CHAMPIONSHIP TOURNAMENT:**

The **decision whether to postpone a Contest** during a PIAA District and/or Inter-District Championship Tournament, prior to the start of such Contest, is the responsibility of the PIAA District-Appointed Contest Manager, in consultation with the PIAA District Tournament Director, or the PIAA-Appointed Contest Manager, in consultation with the PIAA Tournament Director, within their respective jurisdictions. Once a Contest begins, said decision is the responsibility of the Contest Official(s).

In **considering whether a postponement is appropriate**, Contest Managers, in consultation with the applicable Tournament Director, shall give priority consideration to the travel conditions and the health and safety of the participants, Contest Officials, and spectators. Contest Managers shall consider requests made by school officials. They may also weigh available reports and information from other sources regarding road and weather conditions and/or forecasts; and shall consider the consequences of postponement, such as the availability of dates and sites for make-up Contests.

Where a **decision is made not to postpone a Contest**, the failure of a school to participate in such Contest shall constitute an automatic forfeit.

- Time permitting; a school may appeal the imposition of forfeiture. For a forfeiture occurring during a District Tournament, said appeal shall be submitted to, and resolved by, the applicable District Chairman, or that District Chairman's designee. For a forfeiture occurring during the Inter-District Championship Tournament, said appeal shall be submitted to, and resolved by, the PIAA Executive Director, or the Executive Director's designee.
- Appeals will be considered only if they can be resolved in sufficient time to permit rescheduling of the Contest. An appeal may be denied solely on the basis that scheduling a make-up Contest is not reasonably feasible. The decision may not be further appealed.
- If there does exist time to schedule a make-up Contest, the applicable District Chairman, or that District Chairman's designee, or the Executive Director, or the Executive Director's designee, within their respective jurisdictions, shall have discretion to grant relief upon consideration of the following factors: 1. whether a request was timely made by the school to postpone the Contest; 2. whether the appeal was timely presented by the school; 3. whether road and weather conditions were, or were expected to become,

extremely hazardous; 4. whether most other schools did participate in Contests in the same area on the same Contest date; 5. whether there were any unique or unusually dangerous conditions relating to the appellant school; 6. whether the appellant school, in making its decision, relied on information not available to the Contest Manager; and 7. the impact on the opponent and other participants in the Tournament of rescheduling the Contest.

#### **NHFS ANNOUNCER RESPONSIBILITIES:**

#### **CHEERLEADERS**

It is requested that cheerleading captains of each competing school be notified by school authority that cheering will take place in an organized manner. By this it is meant that the privilege and courtesy as to the use of the floor for cheerleading will be done on an alternate basis during a time-out and between quarters. It is the intent not to compete spectators from each school against one another but extend the courtesy and provide the opportunity for a better sense of sportsmanship between the school and its spectators. Cheerleading coaches /captains should make these arrangements for alternating prior to the game at game site.

#### **PIAA RESTRICTIONS ON CHEERLEADING ACTIVITIES**

The PIAA Board of Directors does not permit cheerleaders to perform dangerous activities at PIAA interscholastic athletic events. In an effort to eliminate or minimize injury to cheerleaders, the following shall be in effect for all PIAA district, PIAA inter-district, PIAA regional and PIAA final athletic events.

- No cheerleader shall stand on another person unless that other person has at least (1) foot on the ground.
- No flips are permitted from another person unless that other person has both feet on the ground.
- Trampolines and/or mini tramps shall not be used.

#### **PIAA BASKETBALL RESTRICTIVE CHEERLEADING RULE**

It is the responsibility of the representative of each school to be sure that the school's cheerleaders understand their responsibilities during the game. During the live ball, cheerleaders are to remain seated. They may do all the cheering they desire during dead ball periods. When a cheerleading group is in obvious violation of this regulation, the officials will notify the game officials. The game manager will then notify the person in charge of the cheerleaders that a warning is being given to the cheerleaders. The game manager will also explain that if there is a second violation of the restrictive cheerleading regulation, the cheerleading squad will be placed in the stands.
