

DO YOU WANT YOUR SWIMMERS' TIMES TO BE USED FOR USA MEETS?

This year Nancy is working the computer by herself. It is very important for each coach to build their swimmers' USA Swimming IDs in TM. Do not just type it in...build it by including the middle initial and birth date. Double check it because sometimes when a swimmer registers, they use a nick name. The USA Swimming ID must be exactly like what they have on their registration card. If it is not correct, it is very difficult to go back to MA to get their times recorded in SWIMS.

Middle Atlantic Swimming requires the following:

The USA Swimming ID registration number of all swimmers that request observation and want their times input into SWIMS must be in the database. No other swimmers should have such USA Swimming ID numbers. Post meet requests for SWIMS inputs for swimmers in database without a US Swimming ID registration, will be charged \$10 per request. It will be the coaches responsibility to contact MA if they do not include the ID of a swimmer who would like their time enter into SWIMS. Nancy will not do this.

When you check-in at the meet, you will be given a roster of your swimmers. If you had entered their USS ID with your entries you will see it listed. If any of these are incorrect or missing, please make the corrections or addition. Please make it legible. If you did make any additions or changes, please turn the form into Nancy by the end of the meet on Saturday. If you did not make any additions or corrections you DO NOT need to turn it in.

For relays, there is a separate form that must be completed and turned in to Nancy by the end of Districts. Please see Nancy at the beginning of the district meet to get this form. Follow the directions on the form to complete the information. It is very important that all 4 swimmers on the relay be members of the same USA Team. If they are not, please do not complete a form. One relay on each form.

If there are any questions, please do not hesitate emailing Nancy at nkswanson29@yahoo.com or by phone 215 237-3293 (c)
