

District Qualifying Information – as of 11/9/2021

The following swimming times and diving scores will be utilized as District Qualifying Consideration Standards for the 2021-2022 season. The exact number of qualifiers for swimming and diving is not determined at this time due to potential COVID restrictions. Any athlete meeting the qualifying standards may be entered into the District Meet for consideration purposes. District entry rules will continue to apply. A swimmer may be entered into 2 individual events and listed in all three relays. Reminder, swimmers may participate in a maximum of 4 events at Districts (2 individual events and 2 relays or 1 individual event and 3 relays). Eight names may be listed for each relay, any four of which may swim. Thank you for your continued understanding and flexibility as we navigate through this season.
