SPORTSMANSHIP and ADDITIONAL POLICIES

District One Playoff games are conducted under the jurisdiction of the District One Committee. The District Committee is firm in its desire that good conduct and sportsmanlike behavior should be required in this series of games. Each member of the school participating has the responsibility of control of their students and spectators.

In all games conducted under the jurisdiction of the PIAA and District Committee, the following rules are to be enforced:

- No Banners, pictures or handheld signs carried into the contest
 - Signs / Banners promoting school spirit may be suspended to team bleachers.
 - Approval from school administration is required
- No 50/50s or Lotteries
- No Throwing of confetti, toilet paper rolls or other objects in the stands or field
- No artificial noise makers, whistles or portable listening devices
- No provocative antics or stunts by spectators or cheerleaders
- No menacing actions or gestures by groups towards opposing players or officials.
- Unsportsmanlike and illegal actions by coaches and players.
- Spectators are prohibited from removing their shirts and/or using body paint.

The following is recommended to each participating school:

- Publicize and stress these standards of conduct to faculty managers, cheerleaders, boosters' groups and student bodies.
- Request local papers to urge upon the public the necessity of conduct of which neither the school nor the community would be ashamed. Good sportsmanship means cheering FOR your team, not AGAINST your opponent.

SUGGESTIONS: REGARDING CONTROL OF PARTICIPATING SCHOOLS

It is strongly suggested by the District Committee that a supervisor be assigned for at least every 200 tickets sold by the participating schools. This suggestion is made because it is believed that Faculty, well-respected parents or community leaders will serve and assist in setting a better decor and climate at closely contested games.

OUTDOOR EVENTS: SPECTATOR DECORUM - The presence and/or the use of balloons, whistles, and/or portable listening devices (without earphones) are PROHIBITED! Persons using such items may be removed from the Contest. The use of pom-poms by cheerleaders and small portable listening devices with earphones is permitted. Spectators are prohibited from removing their shirts and/or using body paint while in attendance at District and Inter-District Championship Contests and may be removed from the Contest for doing so. Principals and Athletic Directors shall inform and publicize these regulations to students. The failure of a school to so inform or publicize will not, however, prevent removal from the Contest for violations of this policy. The Principal, Athletic Director, Coaches, team physician, team trainer, players in uniform, managers, ball holders, and statisticians are the only persons permitted in the team box.

PUBLIC ADDRESS PROTOCOL The public address announcer is considered a bench official for all PIAA District and Inter-District Contests. He/she shall maintain complete neutrality at all times and, as such, shall not be a “cheerleader” for any Team. The announcer will follow the PIAA script for promotional announcements, player introduction and awards ceremonies. These scripts may be obtained from PIAA headquarters. Other announcements are limited to:

- those of an emergency nature (e.g., paging a doctor, lost child or parent, etc.);
- those of a “practical” nature (e.g., announcing that a driver has left his/her vehicle lights on);
- Starting lineups or entire lineups of both participating Teams (what is announced for the home Team must be announced for the visiting Team); and
- Announcements that the PIAA souvenir merchandise, souvenir programs and concessions are on sale in the facility. 73 During the Contest, the announcer should:
- Recognize players about to attempt a play (e.g., coming up to bat in baseball, punting, kicking or receiving a kick or punt in football, serving in volleyball, etc.);
- Recognize a player for making a play (e.g., “basket by Jones” in basketball, “Smith on the kill” in volleyball);
- Report a penalty as signaled by the referee/official;
- Report substitutions and time-outs;
- NOT call the “play-by-play” or provide “color commentary” as if he/she were announcing for a radio or television broadcast;
- NOT make any comment that would offer either Team an unfair advantage in the Contest; and
- NOT make any comments critical of any school, Team, player, Coach or official, nor make any other comment that has the potential to incite unsporting conduct on the part of any individual. The announcer should be certain of the accuracy of his/her statements before making them. When in doubt, the announcer should remain silent.

PIAA RESTRICTIONS ON CHEERLEADING ACTIVITIES

The PIAA Board of Directors does not permit cheerleaders to perform dangerous activities at PIAA interscholastic athletic events. In an effort to eliminate or minimize injury to cheerleaders, the following shall be in effect for all PIAA district, PIAA inter-district, PIAA regional and PIAA final athletic events.

- No cheerleader shall stand on another person unless that other person has at least (1) foot on the ground.
- No flips are permitted from another person unless that other person has both feet on the ground.
- Trampolines and/or mini-tramps shall not be used.

POLICY RESTRICTING THE PERFORMANCE OF SCHOOLS' BANDS AT REGULAR SEASON FOOTBALL CONTESTS AND AT PIAA DISTRICT AND INTER-DISTRICT FOOTBALL CHAMPIONSHIP CONTESTS:

Schools' bands are prohibited from performing at regular season football contests and at PIAA District and Inter-District Football Championship contests whenever the opposing schools' football teams are in either a scrimmage formation or a scrimmage kick formation. PRINCIPALS ARE REQUESTED TO INFORM THE BAND DIRECTOR OF THE SCHOOL'S BAND CONCERNING THE COMPLIMENTARY ADMISSION PROCEDURES, PERFORMANCE SCHEDULE, AND POLICY DESCRIBED ABOVE

SUPERVISION: Principals, athletic directors and coaches are responsible for supervising members of their teams at all times, both away from and at the game site. Misconduct by players, team personnel, coaches and/or other persons affiliated with the team will not be tolerated. Persons who engage in unacceptable behavior are subject to expulsion from the game site and disqualified from the District 1 playoffs game by the Game Manager. The principal and the athletic director of each participating school, along with the Game Manager, and security are responsible for crowd control as it pertains to their school and Fans.

POSTGAME POLICY REGARDING SPECTATORS ENTERING THE COMPETITION SURFACE:

PIAA member schools are responsible for the treatment of all visitors and officials attending contests conducted by their school. Access to competition areas should be limited to participating student-athletes, coaches, officials, and game personnel. For the safety of participants and spectators alike, at no time before, during or after a contest should spectators be permitted to enter the competition area prior to the teams and contest officials leaving the competition area

USE OF DRONES POLICY: For the purposes of this policy, a drone is any unmanned aerial device ("UAV"). Drones are not permitted above the competition surface or spectator areas during interscholastic Contests, Inter-school Practices and Scrimmages. Drones may not be used to scout opposing team Practices. Member schools may utilize drones for their own school team practice sessions based upon their local school policies. Persons and/or schools violating this Policy shall be subject to sanctions which may be imposed under Sections 5, 6, 7 and/or 9 of ARTICLE XIII, PENALTIES, of the PIAA By-Laws. Upon timely requests submitted to PIAA, the Executive Director is authorized to grant exceptions to this policy on a case-by-case basis for PIAA broadcast partners in conjunction with any host school/facility local policies.

PROPERTY DAMAGE: If property damage is done at a playoff site by competing schools, student body and spectators, to physical facilities and/or equipment, the school itself (that caused the damage) shall be liable and pay the cost of repair or replacement. Other damages to facilities not attributed to competing schools should be reported to the District One Office with an estimate of the costs.

POLICY RELATING TO INCLEMENT WEATHER DURING DISTRICT AND/OR INTER-DISTRICT CHAMPIONSHIP TOURNAMENT:

The **decision whether to postpone a Contest** during a PIAA District and/or Inter-District Championship Tournament, prior to the start of such Contest, is the responsibility of the PIAA District-Appointed Contest Manager, in consultation with the PIAA District Tournament Director, or the PIAA-Appointed Contest Manager, in consultation with the PIAA Tournament Director, within their respective jurisdictions. Once a Contest begins, said decision is the responsibility of the Contest Official(s). In **considering whether a postponement is appropriate**, Contest Managers, in consultation with the applicable Tournament Director, shall give priority consideration to the travel conditions and the health and safety of the participants, Contest Officials, and spectators. Contest Managers shall consider requests made by school officials. They may also weigh available reports and information from other sources regarding road and weather conditions and/or forecasts; and shall take into account the consequences of postponement, such as the availability of dates and sites for make-up Contests.

Where a **decision is made not to postpone a Contest**, the failure of a school to participate in such Contest shall constitute an automatic forfeit.

- Time permitting; a school may appeal the imposition of forfeiture. For a forfeiture occurring during a District Tournament, said appeal shall be submitted to, and resolved by, the applicable District Chairman, or that District Chairman's designee. For a forfeiture occurring during the Inter-District Championship Tournament, said appeal shall be submitted to, and resolved by, the PIAA Executive Director, or the Executive Director's designee.
- Appeals will be considered only if they can be resolved in sufficient time to reasonably permit rescheduling of the Contest. An appeal may be denied solely on the basis that scheduling a make-up Contest is not reasonably feasible. The decision may not be further appealed.
- If there does exist time to schedule a make-up Contest, the applicable District Chairman, or that District Chairman's designee, or the Executive Director, or the Executive Director's designee, within their respective jurisdictions, shall have discretion to grant relief upon consideration of the following factors:
- 1. Whether a request was timely made by the school to postpone the Contest; 2. whether the appeal was timely presented by the school; 3. whether road and weather conditions were, or were expected to become, extremely hazardous; 4. whether most other schools did participate in Contests in the same area on the same Contest date; 5. whether there were any unique or unusually dangerous conditions relating to the appellant school; 6. whether the appellant school, in making its decision, relied on information not available to the Contest Manager; and 7. the impact on the opponent and other participants in the Tournament of rescheduling the Contest.

POLICY REGARDING THE USE OF EYE SHADE: The use of eye shade must be worn as a single, solid stroke under the eye. There shall be no numbers, words, logos, symbols or other detail located in the eye shade. The eye shade shall not extend below the cheek bone and extend no further than the width of the eye socket. Players having eye shade that does not meet the standard are to remove it or comply with the PIAA interpretation before participation in the game. If the players do not comply, the officials may impose unsportsmanlike conduct type penalties as determined by their respective rules code.

DESIGNATION OF LOCKER ROOM FACILITIES, BENCH, HOME/VISITORS SEATING, and BAND SEATING SECTION: The PIAA-Appointed Contest Manager shall designate the location of each team's locker room facilities, team bench, home/visitors seating, and band seating. Where possible, a section of the stadium behind the designated home team bench will be designated as seating for the home team's spectators, and a section of the stadium behind the designated visiting team's bench will be designated as seating for the visiting team's spectators. Contestants are requested to bring their own locks for use in the designated locker rooms. It is recommended that all articles of value such as money, rings, watches, etc. are not left in the locker room at any time, but are collected by and remain in the possession of a responsible adult designated by each participating school. PIAA and/or the host facility are not responsible for any lost or stolen articles.

TEAM COACHES' PRESS BOX/HEADPHONE SYSTEMS: Two (2) spotter locations for two (2) coaches of each team will be made available to each school, where possible, and at the discretion of the PIAA-Appointed Contest Manager. Headphone systems will be the responsibility of each team and, accordingly, will not be provided by contest management or by host facilities. Schools are responsible for providing their own headphone systems for all PIAA Football Championships Contests, first round to final, inclusive

SPECTATOR AND TEAM BOX DECORUM

The presence and/or the use of balloons, whistles, and/or portable listening devices (without earphones) are **PROHIBITED!** The Principal and Athletic Director of each school will be requested to confiscate these items from their cheerleaders and/or the spectators from their school and community. The use of pom-poms by cheerleaders and small portable listening devices with earphones is permitted. **Spectators are prohibited from removing their shirts and/or using body paint while in attendance at District and Inter-District Championship Contests. Principals and Athletic Directors of competing schools shall announce and publicize these regulations.** The principal, athletic director, coaches, team physician, team trainer, players in uniform, managers, ball holders, and statisticians will be the only persons permitted in the team box. It is recommended, those persons not in uniform display a school issued sideline pass.

RESTRICTIVE COACHING RULE: A non-player shall not be outside his team box unless to become a player or to return as a replaced player. A maximum of three (3) coaches may be in the restricted area. No player, non-player, or coach shall be in the restricted area when the ball is live. **PENALTY:** First offense - warning; Second offense – 5 yards; each subsequent offense - 15 yards.

RESTRICTION ON USE OF TOBACCO PRODUCTS: PIAA Board of Directors' policy prohibits the use of tobacco products by participating and nonparticipating team personnel, including coaches, during any contest at any level (varsity, junior varsity, or otherwise) of competition. The use of tobacco products in the team box, in the locker rooms, and on the competition surface, is prohibited. In addition, the use of tobacco products by spectators is prohibited inside facilities that are designated "TOBACCO FREE"!

PRACTICE/PRE-CONTEST AND END OF HALFTIME WARM-UPS: Weather permitting, teams may begin their pre-contest warm-ups a maximum of ninety (90) minutes prior to the scheduled starting time of the contest and must conclude their pre-contest warm-ups a minimum of thirty (30) minutes prior to the scheduled starting time of the contest. During pre-contest and end of halftime warm-ups, the teams are restricted to the ends of the field between the respective 45-yard lines and the end lines. In addition, the ten-yard area ("buffer zone") between the 45-yard lines may not be occupied and/or used for warm-up purposes by players, coaches, managers, and any other non-playing personnel from either team. The PIAA-Appointed Contest Manager shall designate the end of the field for each team's warm-up area.
